Muggenhausen, den 11.08.2025

Certificate of veterinary gynaecological examination of a filly

This is to certify that on 11th August 2025, I have examined

Filly's name: Walkabove
Passport No.: 372IRE45362120T
Microchip No.: 985101045362120

at request of Gestüt Schlenderhan GmbH & Co. KG.

The filly described above has not previously been attended for gynaecological reasons by me, and was examined today *via*

- (I) *Direct examination of the vulva and perineum.*
- (II) *Palpation & ultrasound per rectum of the ovaries and uterus and cervix.*

Clinical Findings: At the time of examination the above filly's external and internal genital organs appeared healthy, normally developed for her age, and consistent with season of the year and stage of oestrous cycle. The vulva has undergone a Caslicks vulvoplasty.
